**There are two ways
to access the new
*Oakwood Church Center...***

On your phone:

If you have a smart phone, open up your camera app and hover your camera over the QR Code pictured here (no need to take a picture).

After a moment a prompt for the web app info will appear. Tap that prompt and it will direct you to your app store where you can download the Church Center App for free. Then follow the steps.

On your computer at home:

You can also access the new Church Center system right on your computer by typing in **oakwoodpca.churchcenter.com** and follow the steps.

If it's not working, no worries!

Beginning Aug. 22, tech support will be available in the Gathering Space.
